February 1, 1966

GN 8653  
Prprize  
Wally

Dear Jerry:

As discussed during your visit on January 7, this letter describes the changes required to Item I of the Work Statement on Contract GN 8653 to reflect the additional scope. This will increase the total contract price by One hundred and fifty thousand dollars (\$150,000) which is broken out in the attached documentation.

25X1A

The original work statement called for the delivery of four (4) identical flyable [ ] equipments. The revised work statement calls for the delivery of two (2) flyable [ ] plus two (2) advanced flyable [ ] of high power and having improved maintainability and reliability plus further flight testing and simulator testing.

25X1A

25X1A

The changes are as follows -

Page 2 - first two paragraphs  
Page 4 - Item 3a and d  
Page 5 - Item 1
